

# Atomic Tagging

Stephan Mann

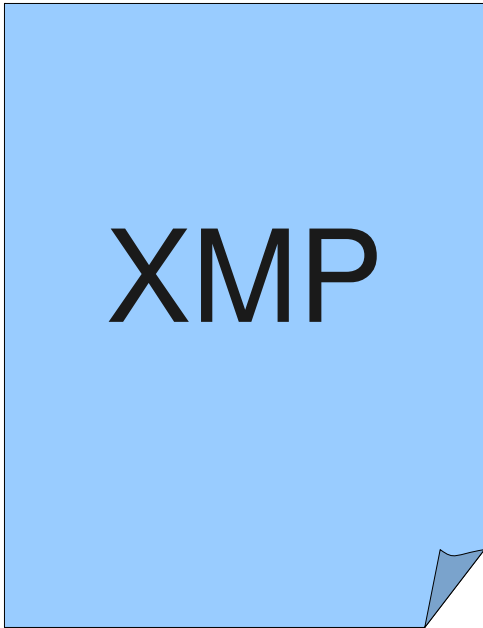

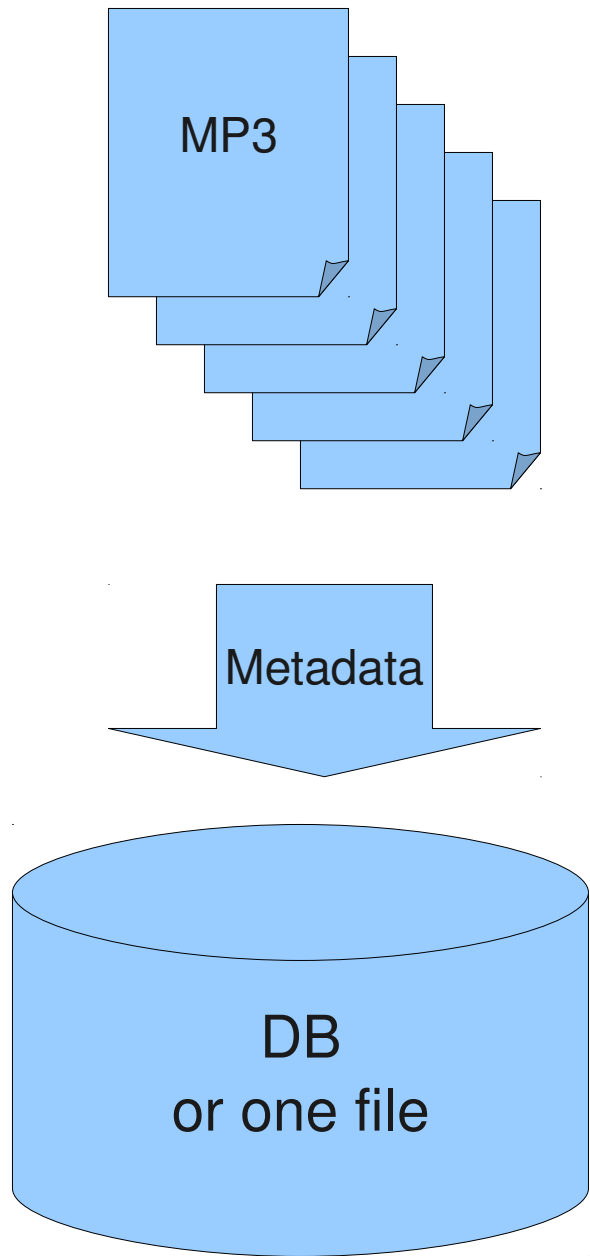

Now where do I put my project documentation?

...or a PDF about SW-Engineering and Java?

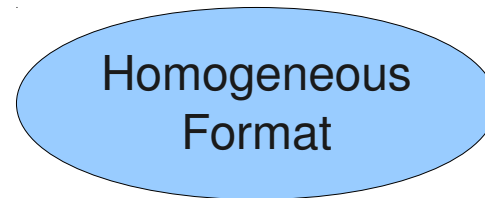

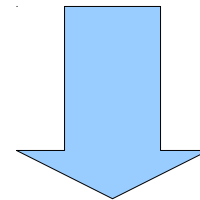

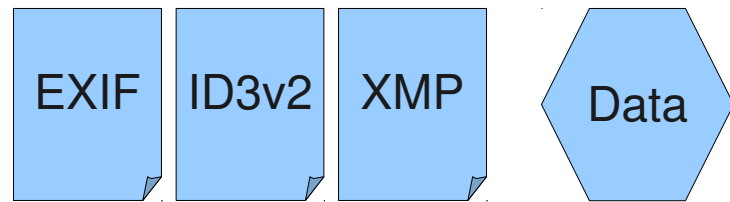

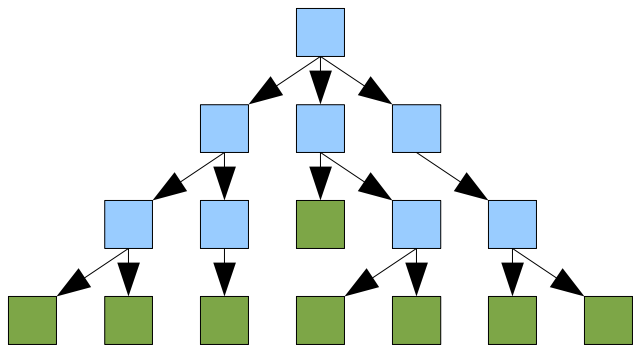

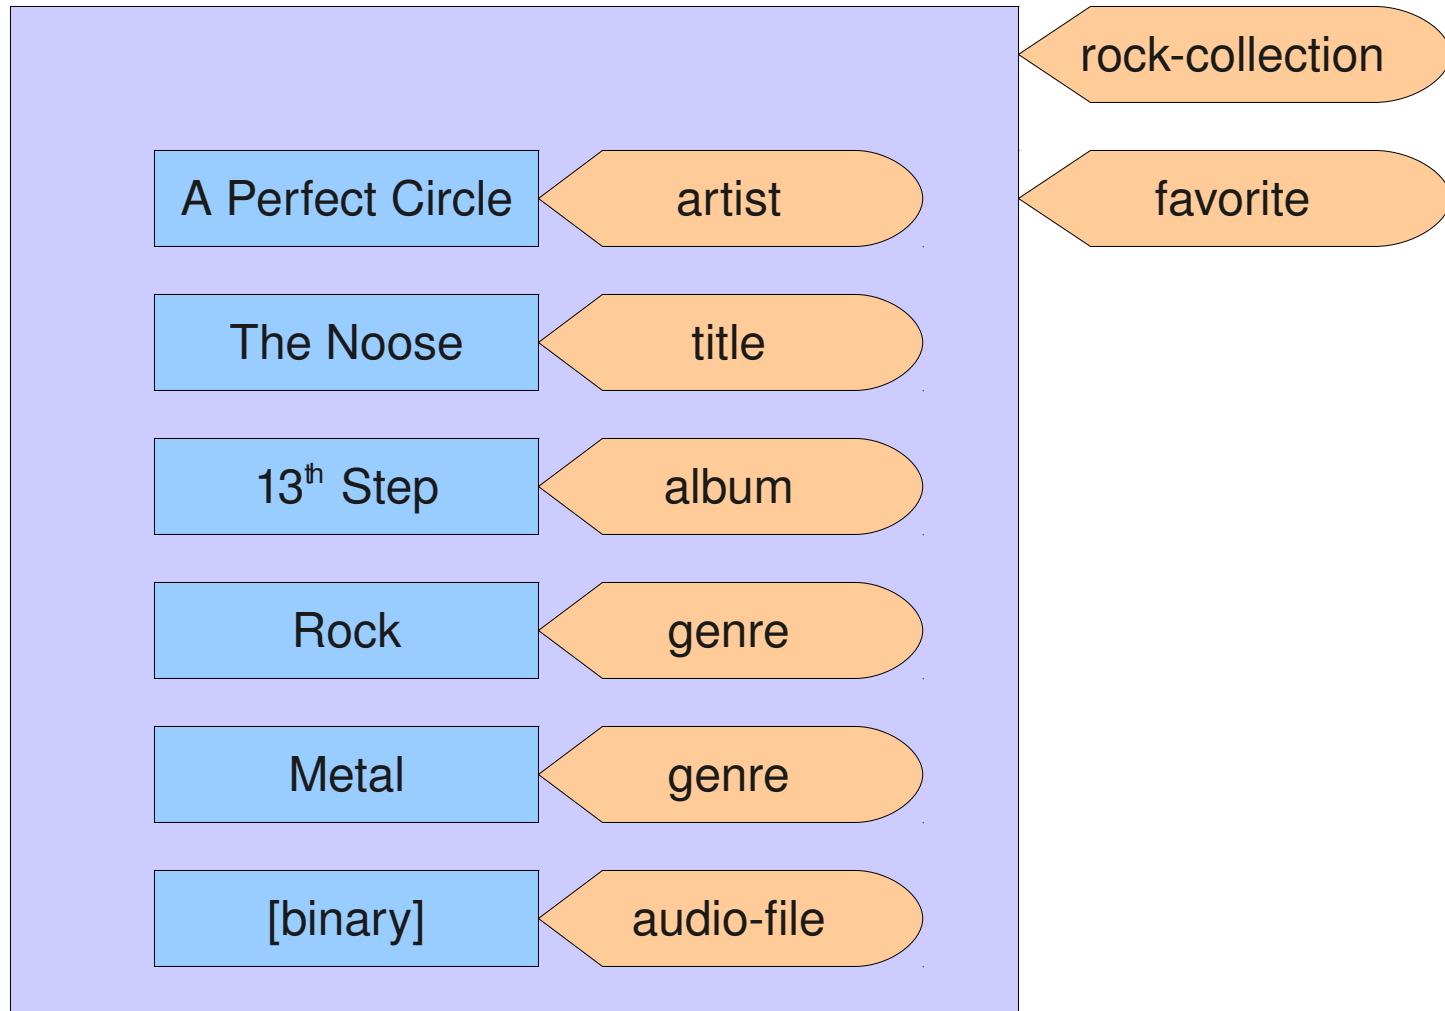

Now why do I need a special application?  
(for each file type...)

A word cloud consisting of the word "Tags" repeated multiple times. The words are arranged in a dense, irregular cluster. The size of each word varies, with some being significantly larger than others, suggesting a hierarchy or frequency. The color of the words is a gradient of blue, ranging from a deep, dark blue for the largest words to a lighter, teal-like blue for the smaller words. The background is plain white, making the blue text stand out.
